

"Falling Slowly"
(with Markéta Irglová)
(from "Once" soundtrack)

ALL PARTS:
OHHHHHHH

I don't know you
But I want you
All the more for that

**Words fall through me
And always fool me
And I can't react**

Part 2/3
And games that never amount
To more than they're meant
Will play themselves out

Part 1/2
Games that never amount to
more than there meant will play

CHORUS: ALL PARTS
**Take this sinking boat and point it home
We've still got time
Raise your hopeful voice, you have a choice
You'll make it now**

Falling slowly, eyes that know me
And I can't go back

**Moods that take me and erase me
And I'm painted black**

Part 2/3
You have suffered enough
And warred with yourself
It's time that you won

Part 1/2
You have suffered enough
& warred with yourself you won

**Take this sinking boat and point it home
We've still got time
Raise your hopeful voice, you have a choice
You've made it now**

Break (sway or not sway hehe)

**Take this sinking boat and point it home
We've still got time**

**Raise your hopeful voice, you have a choice
You've made it now**

**Falling slowly sing your melody
And sing it loud**
